

Build to Last

Your reliable partner for enduring BESS solutions

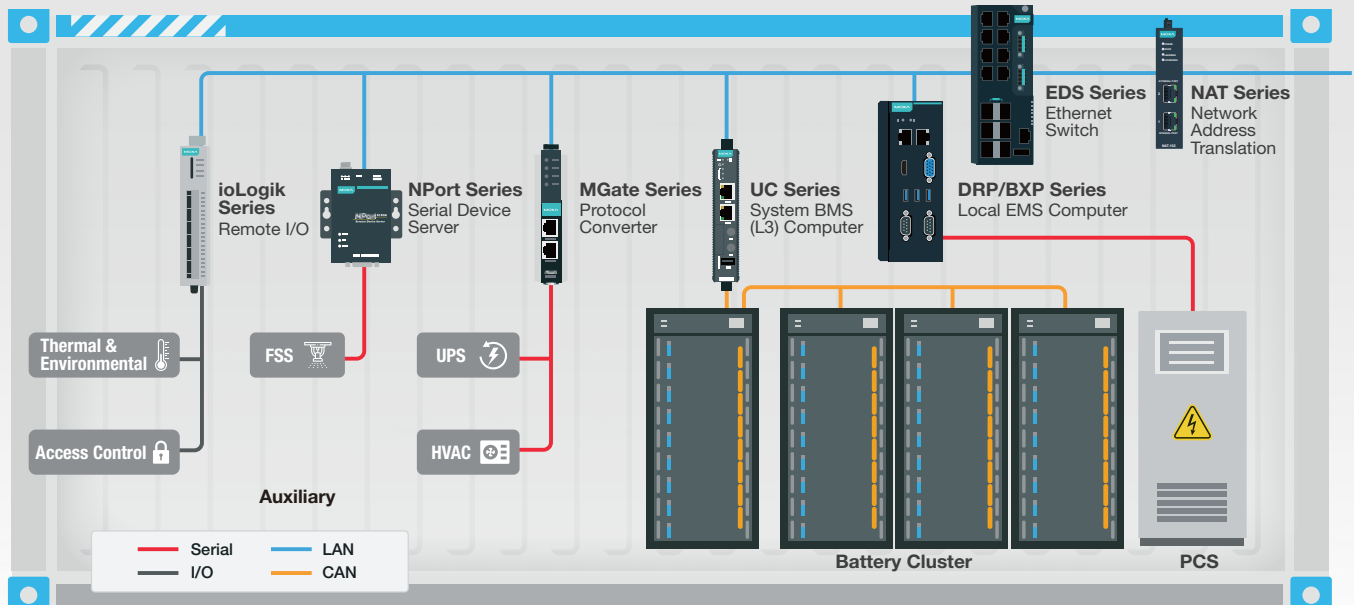

A Question of Reliability for Key Communication Devices

Components that collect critical battery data often operate in harsh environments, making durability crucial.

Global Collaboration, Around-the-clock Support Are Vital

Ensuring long-term supply and on-site support services of critical equipment over the next 10 to 15 years is the new challenge.

Moxa's Solutions for Battery Energy Storage Containers

Reliability

Cut Hidden Costs

Rugged design, protective coating, and fanless design for harsh BESS environments, such as high altitudes and salt spray occurrence

Compliant with robust and secure critical infrastructure standards

Highly reliable design, up to 1M hour MTBF, and a five-year warranty

Longevity

Sustained Supply and Service

Over 85 countries worldwide; products delivered beyond borders

Continuous product iteration, pledging long-term stable supply

10-year Linux support, including security patches and bug fixes

BESS Product Portfolio at a Glance

System-level Battery Management System

Arm-based Computers

The UC family for BMS computers

Thermal Management, Cooling System, HVAC Container Environment Monitoring

Serial Device Servers

NPort 5000 for environmental monitoring

Ethernet Remote I/Os

ioLogik E1200 for condition monitoring

Protocol Gateways

MGate MB3000 for device monitoring

Local EMS Computers

x86 Computers

The DRP/BXP family for local EMS computers

Preliminary

Secure Networking Connection

Ethernet Switches

The EDS/RKS family for Ethernet connectivity and redundancy

Secure Routers

The EDR family for cybersecurity requirements

Industrial NAT

The NAT Series for simple IP address configurations

Your Trusted Partner in Automation

Moxa is a leading provider of edge connectivity, industrial computing, and network infrastructure solutions for enabling connectivity for the Industrial Internet of Things (IIoT). With over 35 years of industry experience, Moxa has connected more than 94 million devices worldwide and has a distribution and service network that reaches customers in more than 85 countries. Moxa delivers lasting business value by empowering industries with reliable networks and sincere service.
